party's ("Impacted Party") reasonable control, including, without limitation, the following force majeure events ("Force Majeure Event(s)": (a) acts of God; (b) tornado, haboob, drought, flood, fire, earthquake, explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (d) government order or law; (e) actions, embargoes or blockades in effect on or after the date of this Agreement; (f) action by any governmental authority; (g) national or regional emergency; (h) strikes, labor stoppages or slowdowns or other industrial disturbances; (i) shortage of adequate power or transportation facilities; and (j) other similar events beyond the reasonable control of the Impacted Party.

This pandemic has resulted in various declarations of national, state and local emergencies and actions by governmental authorities that restrict the movement and gathering of persons. The parties enter this contract in the good faith belief that governmental restrictions will not be in effect at the time of performance. Notwithstanding the fact that the pandemic has already resulted in Force Majeure Events, the parties agree that they may be subject to future Force Majeure Events that impact one or both parties and make performance of this contract impossible or impracticable. The parties agree that the existence of current Force Majeure Events is not predictive of future Force Majeure Events related to COVID-19, and that unforeseen consequences of future government actions related to COVID-19 shall entitle either part to invoke the protections of Paragraph 9a, above.
