## 8. Force Majeure:

No party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this contract, for any failure or delay in fulfilling or performing any term of this Agreement, when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's ("Impacted Party") reasonable control, including, without limitation, the following force majeure events ("Force Majeure Event(s)": (a) acts of God; (b) tornado, haboob, drought, flood, fire, earthquake, explosion; (c) war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (d) government order or law; (e) actions, embargoes or blockades in effect on or after the date of this Agreement; (f) action by any governmental authority; (g) national or regional emergency; (h) strikes, labor stoppages or slowdowns or other industrial disturbances; (i) shortage of adequate power or transportation facilities; and (j) other similar events beyond the reasonable control of the Impacted Party.

The parties acknowledge that they enter this contract in the midst of the COVID-19 pandemic. This pandemic has resulted in various declarations of national, state and local emergencies and actions by governmental authorities that restrict the movement and gathering of persons. If the Games were to be played in the current environment, it is possible that governmental authority would prohibit the Games from being played or would limit the attendance for the Games. However, the parties enter this contract in the good faith belief that current governmental restrictions will no longer be in effect at the time of performance. Notwithstanding the fact that the pandemic has already resulted in Force Majeure Events, the parties agree that they may be subject to future Force Majeure Events that impact one or both parties and make performance of this contract impossible or impracticable. The parties agree that the existence of current Force Majeure Events is not predictive of future Force Majeure Events related to COVID-19, and that unforeseen consequences of future government actions related to COVID-19 shall entitle either party to invoke the protections of this Section.
