DATE/TIME: Friday, November 11, 2022 at a time TBD 

1. The parties agree to participate in an athletic contest ("Game") between their Men's Basketball teams on the date and at the time set forth above.
2. In consideration for playing in the Game, UNM shall pay to USA the sum of seventy-five thousand dollars (\$75,000.00).
3. Officials for such contest(s) shall be assigned by the Mountain West Conference.
4. The eligibility rules governing participation in such contest(s) shall be those established by the faculties of the respective institutions and the Athletic Conferences involved.

6. UNM retains all rights to broadcast the Game on radio, television, the internet, and any other medium.
7. USA grants to UNM the non-exclusive, worldwide, irrevocable, transferable (without consent), sublicensable (without consent, and through multiple tiers of sublicensees), royalty-free right and license to use (i) the trademarks, service marks and other indicia of and relating to any teams participating in said Game and (ii) the names, images, likenesses, biographical details, privacy rights, publicity rights, and all other indicia of identity of participants and other individuals involved in the conduct of the Game for the purposes of broadcasting, advertising and promoting the Game.
8. The parties agree that if either institution breaches this contract by refusing to play at the time and place agreed upon, the non-breaching party shall sustain damages that are difficult (if not impossible) to calculate. Such payment shall be offset, dollar for dollar, by any amount UNM may have already paid USA at the time of the breach.
9. Force Majeure:
No party shall be liable or responsible to the other party, nor be deemed to have defaulted under or breached this contract, for any failure or delay in fulfilling or performing any term of this Agreement, when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's ("Impacted Party") reasonable control, including, without limitation, the following force majeure events ("Force Majeure Event(s)");
